Subject: Notice Regarding Delivery Service Charges

Dear Valued Customer,

Please be advised Bianco Construction Supplies will implement a 17 - 19% increase to delivery charges, effective Monday 23rd of March.

This increase is temporary in response to the sustained surge in national fuel and transport costs.

We will continue monitoring these external costs closely and review this temporary measure weekly.

Please note that we have not passed on the full extent of these rising costs. We are committed to minimising the financial impact on our customers wherever possible.

We appreciate your understanding as we navigate these industry-wide challenges and thank you for your continued partnership.

Should you have any questions please discuss with your sales representative.

Best regards,

The Bianco Team
